

PRESS RELEASE

Hong Kong – 7 December 2021

Tsangs Group Sponsors Future City Summit Annual Conference 2021

Tsangs Group is pleased to announce that one of our sponsored projects, the 6th Annual Conference by Future City Summit will be held from 15th to 16th December 2021 in Hong Kong and Guangzhou (Greater Bay Area of Mainland China) virtually with the main theme "Planet Renaissance: Future Lock In Not Lock Down".

The Conference is sponsored by Tsangs Group and InvestHK of the Government of the Hong Kong Special Administrative Region, in partnership with strategic organisations such as the World Economic Forum (IoT and Urban Transformation), ASEAN, St. Gallen Symposium and African Union Youth Advisory Council.

This year, echoing the Green Economy Global Agenda first coined by Prof. Klaus Schwab of the World Economic Forum, the Summit would be hosted with hybrid experience in both locations (minimal physical experience) with new summit features such as virtual reality and 360.

The Conference will be assembling 200 guests and delegates from urban development, real estate, urban technologies, related private sector and industry leaders, including senior executives and young professionals.

The Keynote Session will be presented by senior representatives of the Hong Kong SAR Government, Mainland China and the World Economic Forum (IoT and Urban Transformation). Meanwhile, Patrick Tsang, Chairman of Tsangs Group, will be the opening guest, delivering an opening message at the Conference.

"I am honoured to be part of the Annual Conference. The organiser, Good City Foundation, is gathering a broad network of leaders from private and public sectors to discuss on various topics crucial to the sustainable development of the world. This action is meaningful and impressive; therefore, Tsangs Group did not hesitate to become a strategic sponsor. Let's wish the event and team a great success," commented Patrick Tsang, Chairman of Tsangs Group.
