Chairman of Tsangs Group Appointed as Advisory Board Member of UNIPLAT

Tsangs Group is pleased to announce that Chairman Patrick Tsang is appointed as an Advisory Board Member of UNIPLAT.

UNIPLAT is the world's first online platform specialised for researchers and entrepreneurs from all over the world to share their ideas and research projects related to United Nations Sustainable Development Goals and gain support from individuals or institutions.

UNIPLAT's goal is to ensure that researchers and entrepreneurs worldwide are evaluated and rewarded fairly, regardless of their economic situation, geography, or affiliation, through incentives based on their innovative research, achievements, and discoveries.

The vision of UNIPLAT aligns with the three primary value pillars of Tsangs Group's Social Initiatives, namely education, youth empowerment, and shaping a better future.

"The Tsangs Group's philosophy, 'Think Global. Be Local.', is what many entrepreneurs and researchers participating in the UNIPLAT aim to embody, and I believe that the slogan 'Anything is Possible' by Patrick makes sure to encourage many entrepreneurs and researchers around the world. It is a great honour for the UNIPLAT to partner with the Tsangs Group. Together, we can continue to support entrepreneurs all over the world equally regardless of their circumstances," commented Dr. Takahisa Karita, Co- Founder and CFO & COO of UNIPLAT.

"UNIPLAT enables global researchers and entrepreneurs to gain exposure and connect, contributing to the improvement of global research and humanitarian projects. Their vision matches perfectly with our Social Initiatives goals. I am glad to be part of this meaningful project, creating positive influence and positive impact to the world," commented Patrick Tsang, Chairman of Tsangs Group.
